MEMORANDUM FOR THE DIRECTOR

Re: Location of Alvin Karpis.

The following information was received from Chicago by long distance telephone by Mr. Finkel, night clerk, and transmitted to me.

One Don Wilson, who resides at 4102 Madison Street, Apt. 2B called the Bureau and advised that he knew where Karpis was staying; that he was planning a kidnaping early this morning. He advised that Karpis was at the Paradise Arms Hotel, located in the 4100 block of Washington Boulevard and would be there until 7 o'clock this morning; that he was registered under the name of Fagin. Wilson further stated that with Karpis was the man who was with him in Atlantic City. Wilson stated definitely that Karpis would leave the hotel this morning.

Don Wilson described himself as a gambler running a house in Chicago and that he knew Karpis personally; that he had seen him yesterday in the Paradise Arms Hotel. Wilson advised that he worked with one Sam Hunt, alias "Golffbag", also a gambler and former Capone man. He gave as his reason for turning this information in, the fact that, "Karpis was queering the racket."

2:40 A.M. I called Mr. Connelley in Chicago, but not being able to reach him immediately, I spoke to Mr. Madala in the Chicago Office and gave him the above information. I advised him to get some men together and to get in touch with Mr. Connelley or Mr. Ladd right away, and not to do anything until either Mr. Connelley or Mr. Ladd took charge.

3:30 A.M. The night clerk in the Chicago Office called the Bureau and advised that Mr. Connelley had a contingent of men covering the place. I advised the night clerk that if they were reporting negative results, to use either telegraph or teletype.

Respectfully,

E. A. Tamm

Relative to the Director's inquiry concerning the identity of Buckhalter noted on the letter of Special Agent in Charge Connellley, dated at Chicago, Illinois January 7, 1935 in the Bremer kidnaping case, please be advised that this individual is Louis Buckhalter alias Lepke and was an associate of Vernon C. Miller and Gus Winiker and you will recall that the wife of Buckhalter, Rose Buckhalter, accompanied Vivian Mathis, paramour of Miller, during July and August of 1933, at which time they were under surveillance by the Division.

During the surveillance of Mrs. Buckhalter and Vivian Mathis, it was learned that Buckhalter has a lengthy New York police record and that he is involved in every industry in New York that is connected with racketeering, especially the suit and garment industry. The Division has conducted an extensive investigation of this individual in connection with the Antitrust case, Division file No. 60-1834, entitled THE DRESS INDUSTRY - LOUIS BUCKHALTER with aliases, et al.

He is also associated with the activities of the so-called "Longie mob" of New Jersey, which is opposed to the so-called "Dutch Schulz gang".

According to the modus operandi file of the Identification Unit, he is one of the four most important gangsters in New York City today and is the number one man on all union rackets involving strong-armed work. He is wealthy and has connections with all the important mobs in the United States. It appears from the record that he was arrested on November 21, 1933 by the United States Marshal, New York City, for violation of the Antitrust Laws in connection with the fur industry.

There are attached hereto the photograph and a copy of the complete criminal record of this individual.

Respectfully,

Mr. Alt telephoned from the Jacksonville Office with reference to the above case and stated that the United States Marshal in Jacksonville had received a telegram from Mr. Stewart, Administrative Assistant to the Attorney General, instructing that the Marshal take up with the court the matter of securing a writ to remove Dolores Delaney and Wynona Burdette from the Dade County Jail in Miami, to the Duval County Jail in Jacksonville to properly safeguard them. In this connection, Mr. Alt stated that he doubts very much if the Federal Judge in Miami will sign this writ.

I informed Mr. Alt that this appears to be the procedure the Department wants to follow, and that it is all right with the Bureau. Mr. Alt stated that he would advise the Bureau by telegram if and when these persons are removed.

Through confidential sources at Toledo, Ohio, it was ascertained that one Mildred Kuhlman, a prostitute, had left Toledo, Ohio with Arthur R. Barker and that she was located in the Morrison Hotel, Chicago, Illinois.

Investigation at the Morrison Hotel resulted in ascertaining that Mildred Kuhlman was a guest at this hotel and during her stay communicated by telephone with persons residing at 641 Oakdale and 439 Arlington Place, Chicago, Illinois. On December 15, 1934 Mildred Kuhlman gave up her room at the Morrison Hotel. By covering the Oakdale and Arlington Place addresses the Kuhlman woman was traced and found to be residing at 432 Surf Street, Chicago, Illinois. A surveillance of this address disclosed that Mildred Kuhlman frequented an apartment located at 3912 Pinegrove Avenue. This address was also placed under surveillance and it was learned that the men who had been associating with Mildred Kuhlman and her women companions were out of the city. Both apartments were kept under continuous surveillance until the return of these men around the first of January, 1935. One of the men who was observed entering the apartment at 3912 Pinegrove Avenue was partially identified as Russell Gibson and it was discovered that he had been contacting the party at 432 Surf Street, who was later identified as Arthur R. Barker. While it had been noted that apparently one or two men had been entering both of these addresses, no definite conclusive identification had been made of any of the subjects from the pictures available and, on the morning of January 8, 1935, Special Agent in Charge E. J. Connelley and Special Agent R. D. Brown observed the individual who was residing at 3912 Pinegrove Avenue and reached the conclusion that he was Russell C. Gibson, subject of Identification Order No. 1213. Previous reports submitted have, in some instances, referred to the address "3920" Pinegrove Avenue, which is the same address as 3912 Pinegrove Avenue.

RECORDED & INDEXED

After observing both addresses, 3912 Pinegrove Avenue and INVESTIGATIVE 432 Surf Street, Chicago, Illinois, Special Agent in Charge Connelley made immediate arrangements to reinforce the squads which were watching both addresses in order that in an emergency a sufficient number of men would be available to take either place, and also in order to observe when all of the subjects in question had assembled in either or both of the two addresses.

Thereafter arrangements were made for the assistance of additional agents to conduct a raid when it became evident that both places were fully occupied. The Agents were given detailed instructions as to their respective assignments and as to the identity of the persons who were to be taken into custody. At the 3912 Pinegrove Avenue address seventeen Special Agents were assembled, including the Special Agent in Charge. At the 432 Surf Street address nine Agents were assembled to await developments at the former address and at the same time be prepared to take any emergency action that might be necessary. The plan of operation was to first take the occupants of the apartment on Pinegrove Avenue, inasmuch as it was expected that there would be two or more men at this address, and thereafter a raid would be conducted upon the Surf Street address, with the understanding, however, that should the occupants of this latter address attempt to leave they were to be taken into custody in order to prevent their escape or to prevent their warning the occupants of the apartment on Pinegrove Avenue. The squad at the Surf Street address was divided into two groups, one under the supervision of Special Agent R. L. Jones and one under Special Agent C. G. Campbell, these groups to command both the front and rear entrances to the building.

Around 6:30 P.M. on January 8, 1935, Mildred Kuhlman and a man who was later identified as Arthur R. Barker, were observed leaving the apartment at 432 Surf Street, at which time the squad of Agents at the front entrance deployed around them and closed in on Barker just as he was stepping to the curb to hail a taxicab. At the same instant he was commanded to surrender he fell down in the mud and raised his hands above his head. He was found to be without a gun on his person and was immediately taken to the Chicago Division Office, together with Mildred Kuhlman. Surveillance was continued on the apartment in the expectation that other associates of the gang would probably put in an appearance, inasmuch as the taking of Barker into custody was effected without any excitement or publicity.

The raid planned on the apartment located at 3912 Pinegrove Avenue was deferred, inasmuch as the apartment had been vacated by the occupants earlier in the evening. A surveillance was continued until approximately 10:45 P.M., when subject Gibson, accompanied by his wife, Clara Gibson, and another woman, later identified as Ruth Heidt, ex-wife of Willie Harrison, were seen to enter the apart-

ment from the front. A man, later identified as Byron Bolton alias Monte Carter, was observed entering the rear of the apartment from the alley. Thereupon Special Agents A. P. Barber and J. C. White were stationed at the foot of the steps at the rear of the apartment where it was expected that Gibson would emerge in the event he refused to leave by the front entrance. These Agents were covered by other Agents at the rear of the apartment.

Special Agent in Charge Connelley, together with Special Agents R. D. Brown, S. K. McKee and K. R. McIntire entered the front of the building at about 11:15 P.M. after all other Agents on the outside had been properly stationed at their respective positions. Agent in Charge Connelley went to the speaking tube for Apartment No. 1, North and made inquiry of a woman who answered for Mr. J. B. Bolton, the name given when the apartment was rented. The woman stated that Mr. Bolton was not in and would not be in until the end of the week. Mr. Connelley then informed this woman that he was a Government officer from the United States Department of Justice and that the building was completely surrounded. He instructed that all occupants of the apartment come down the front stairs, one at a time, with their hands above their heads. Special Agents McKee and Brown were stationed at the foot of the stairs equipped with Thompson sub-machine guns. Agent in Charge Connelley and Agent McIntire were equipped with their service .38 super-automatic pistols. After the first order to the occupants of the apartment to come down there was a delay of several minutes, but no action on the part of the occupants. Mr. Connelley again called through the speaking tube and demanded that all persons leave the apartment immediately or it would be gassed. Again the Agents waited for approximately three minutes and Mr. Connelley, for the third time, demanded through the speaking tube that the occupants immediately leave the apartment. He also warned the persons in the apartment that no escape should be attempted through the rear as the building was completely surrounded and any one attempting to escape would be killed.

After this third command to the occupants of the apartment the two women, Clara Gibson and Ruth Heidt, came down the stairs and were commanded to lie on the floor in order that no attempt could be made by them to grab the guns of the Agents in order to effect an escape on the part of the two men still remaining in the apartment. The women were searched for concealed weapons but none were found. Immediately after the women had laid down, Byron Bolton emerged from the apartment with his hands in the air. He was likewise commanded to lie on the floor with his hands above his head. He was searched

1/31/35

for weapons but none were found. Mrs. Gibson admitted her identity and when asked if any other individuals were in the apartment she stated that her husband was still in the apartment. In the belief that Russell Gibson and others might yet be in the apartment, Mrs. Gibson was instructed to persuade her husband, through the speaking tube, to surrender, but she received no response. At that moment several shots were heard in the rear of the building, at which time Mrs. Gibson screamed "Oh, they have got my husband".

Immediately upon hearing the shots fired the Agents in the front of the building, in accordance with previously issued instructions, fired gas shells through the front windows of the apartment occupied by the Gibsons in order that any individual still there or any individual returning there from the rear of the building would be rendered unable to continue active and dangerous resistance.

The shooting which was heard occurred when Russell Gibson emerged from the back entrance of the building, in his shirt sleeves, without a hat, and wearing a bullet-proof vest, and carrying and firing a Browning Automatic 30.06 caliber Rifle, which fire was directed at Agents White and Barber. Thereafter, in the return fire, Russell Gibson was wounded after he had apparently fired four shots from the Browning automatic rifle. He threw off his bullet-proof vest after having been wounded and dropped a .32 caliber Colt automatic pistol, fully loaded.

Immediately upon the occurrence of this shooting, arrangements were made with the Janitor, Paul Lenco, to reassure all of the occupants of the other apartments that no one would be harmed and he was also instructed to call the police if they were not already on their way and advise them as to what was taking place, and further that when the police officers arrived they should be immediately brought to Special Agent in Charge Connelley. Shortly thereafter the police arrived and offered their cooperation in following up the necessary work in connection with determining definitely that no one else remained in the apartment.

Thereafter the two women and Bolton were taken to the Chicago Division Office and Russell Gibson was taken to the American Hospital where he died at 1:40 A.M., January 9, 1935.

The apartment was entered and there were recovered the following guns:

- 1 Browning 30.06 automatic rifle, dismounted, with parts detached.
- 1 Sawed-off shotgun, double barrel, 20 gauge, No. 109198, with shoulder holster.

- 1 "Auto-Burglar" made by the Ithaca Gun Company, Ithaca, New York.
- 1 Colt automatic pistol, .32 caliber, No. 481720.
- 1 Colt .38 police positive revolver, No. 275652, fully loaded.
- 1 Colt .32 caliber automatic pistol, No. 504899, (This is the gun that dropped from Gibson's clothing at the time he was shot).
- 1 .351 caliber rifle, fitted with front machine gun grip and Cutts Compensator, both serial numbers removed.
- 1 Browning 30.06 automatic rifle, numbers removed.
- 1 Browning 30.05 automatic rifle, numbers removed, (This is the gun used by Gibson in attempting to make his getaway).

After the arrest of Arthur R. Barker near 432 Surf Street his apartment was entered and there were recovered the following guns:

- 1 Thompson .45 caliber submachine gun, manufactured by Colt Patent Firearms Manufacturing Company, Hartford, Connecticut, U. S. Navy Model, 1928, equipped with Cutts Compensator and vertical front grip, numbers removed.
- 1 Colt automatic .380 caliber, No. 115483.

Fredericksburg, Virginia; that approximately two months ago two men and two women stopped at his filling station and garage in a Ford Sedan; that these individuals acted suspicious, in that one remained in front of the garage on watch, while the others stayed within; that approximately two weeks later he saw a picture of Alvin Karpis in a Baltimore paper; and that he had recognized the picture and identified the individual as one of the men who stopped at his filling station and garage approximately two weeks before. Johnson advised that in view of the fact that the occupants of the car aroused his suspicion, he copied the motor number of same and also made a note of the license plates. He stated that he worked on this car repairing the motor for approximately one hour and that the occupants then left his garage for an unknown destination. Johnson stated that the Ford maroon colored Sedan in which the four individuals were traveling bore Pennsylvania 1935 license plates 14-E-35. Johnson stated that he also exhibited a photograph of Karpis, which he had seen in a Baltimore paper, to other employees of the filling station and they were also of the opinion that one of the men in the car was Karpis. Agent Friar asked Johnson why he had not reported this to the Department of Justice immediately thereafter and Johnson stated that he had not done so in view of the fact that Karpis had been later seen in Atlantic City, New Jersey.

Johnson then stated that at approximately 5:50 P. M. March 12, 1935, the same man and one of the women again drove into his filling station and that he immediately recognized the man as being the same individual who had been in his garage approximately two months ago. Johnson stated that the man on March 12, 1935, wore a mustache, whereas he had not previously done so but that nevertheless he was positive that it was the same individual. Johnson described the man as being 5 feet 10 inches tall and weighing 175 pounds. He described the woman as being a blonde and short. Johnson stated that he checked the license plates on this automobile and again noted that same bore Pennsylvania 1935 license plates 14-E-35. According to Johnson the individual stopped to have a windshield wiper repaired and in approximately five minutes left the filling station in the direction of Washington, D. C.

Pursuant to the receipt of the above telephonic information, the writer immediately notified Mr. Tamm, of the Bureau, and instructed Agent C. I. Lord, of the Washington Field Office, to immediately proceed to Fredericksburg, Virginia and interview O. L. Johnson for any additional information that he might possess with reference to this matter. Special Agent Levin, of the Philadelphia office, was also telephonically contacted, and the Philadelphia office was requested to trace 1935 Pennsylvania license plates 14-E-35 and to conduct appropriate investigation relative thereto.

At approximately 10:15 P. M., March 12, 1935, the Washington Field Office received a telegram from the Philadelphia office stating that 1935 Pennsylvania license plates 14-E-35 had been issued to one E. G. McBride, 11 Tecumseh Street, Hazelwood, Pennsylvania, and that the Pittsburgh office had been requested to immediately check this information and conduct appropriate investigation.

At approximately 11:15 P. M., March 12, 1935, Special Agent in Charge J. J. Waters, of the Pittsburgh office, telephonically advised the writer that investigation at Hazelwood, Pennsylvania, had reflected that E. G. McBride, 11 Tecumseh Street, was a head waiter for one Ed Teyton; that E. G. McBride lives with one Ed Haney; that E. G. McBride is reported to be poor but reliable; that the Pittsburgh office had been informed that McBride, accompanied by another man and two women had left Pittsburgh on or about January 2, 1935, for Florida, and that McBride was supposed to be returning to Pittsburgh at the present time. Special Agent in Charge Waters also stated that the Pittsburgh office would conduct additional investigation relative thereto.

At Fredericksburg, Virginia, Special Agent C. I. Lord contacted O. L. Johnson and received from this individual substantially the same information that had previously been related to the writer telephonically. In addition thereto, however, Johnson stated that during the afternoon of January 5, 1935, two men and two women in a Ford Tudor Sedan, motor #18250296 and bearing Pennsylvania license plates 14-E-35, approached his filling station and remained for approximately one hour. Johnson stated that he repaired the motor of this automobile and that the driver of same stated that his name was E. G. McBride, of Pittsburgh, Pennsylvania. Agent Lord questioned Johnson with reference to the other occupants of the automobile and Johnson stated that he was positive that neither of the women were pregnant. Johnson then stated to Agent Lord that at approximately 5:45 P. M. March 12, 1935, the same man and one of the women again came into his filling station in the same automobile, but that at this time two young men were riding in the back seat. Johnson stated that he engaged the driver of the automobile in a conversation and he readily admitted being in the garage approximately two months ago while enroute to Florida. According to Johnson, the driver stated that he was headed for Washington, D. C., address unknown. Agent Lord exhibited to Johnson two known photographs of Alvin Karpis and Johnson readily identified same as a picture of the individual who had been in his garage at 5:45 P. M. March 12, 1935. Johnson then stated that he recognized Karpis but he could not identify or recognize Campbell from a photograph.

Mr. Tamm, of the Bureau, was immediately notified of the above facts. He suggested that the Pittsburgh office conduct appropriate investigation upon the return of E. G. McBride to Pittsburgh or Hazelwood, Pennsylvania, from Florida.

**UNDEVELOPED LEAD**

The Pittsburgh office will conduct appropriate investigation with reference to the character and reputation of one E. G. McBride, 11 Tecumseh Street, Hazelwood, Pennsylvania, and obtain all details with reference to his recent alleged trip to Florida.

DETAILS:

On February 28, 1935, W.J.GORDON, Minneapolis manager of the Burns International Detective Agency, telephoned the St.Paul Office and advised Special Agent R.G.Coulter that an informant of his had seen HARRY SAWYER about 1:30 P.M., on this date, in an automobile with another man between White Bear and St.Paul, Minnesota, at which time the car was headed towards St.Paul. He stated that his informant was unable to secure the license number but did observe that it was a tan or sand colored Auburn Sedan. He further stated that SAWYER was reported to have been at White Bear for two or three days and, in his opinion, was staying at the cottage of MORRIS ROISNER; however, he stated he did not know the location of ROISNER'S cottage, although he knew that ROISNER is a former partner of LEON GLECKMAN, and was a close friend of SAWYER. GORDON would not disclose the identity of his informant, advising that he was "scared to death", and he doubted that the informant would consent to be interviewed. GORDON stated that he was leaving town but would attempt to have the informant report to one of his men, who will relay any information received during his absence which will be for two or three days.

Special Agents Gurnea and Brennan ascertained at the Post Office at White Bear, Minnesota, that no mail is being received for either ROISNER or SAWYER. Postmaster Sullivan is a brother-in-law of ROY McCORD, who was shot, allegedly by the BARKERS, just prior to the BREMER kidnaping, and, accordingly, has a personal interest in locating anyone connected with the mob. He caused all carriers to examine their records but found none of either ROISNER or SAWYER having received mail at White Bear, or any of the summer resorts, surrounding, which receive mail from the White Bear Post Office. Examination was made of the records of the Northern States Power Company, and meter readers working out of the White Bear office, covering White Bear, Bald Eagle, and various other summer resorts, were interviewed and a record was found of a MORRIS ROISNER having occupied a cottage at Bald Eagle, in 1932 and 1933, but there is no record of his having stayed there since that time. The files of the St.Paul Office disclose that ROISNER did occupy a cottage at Bald Eagle in 1933.

The following investigation was conducted by Special Agents S.L.Fortenberry and R.T.Noonan:

On February 28, 1935, in company with Special Agent S. L. Fortenberry, ALICE CONRAD was interviewed at 501 - 9th Street South, Minneapolis, Minnesota, this being subsequent to information obtained from William Gordon of the Burns Detective Agency to the effect that HARRY SAWYER had been seen in the vicinity of the Twin Cities that date. ALICE CONRAD claimed no knowledge of the whereabouts of SAWYER or his wife, and stated that she had no additional information other than what she had told when interviewed in Chicago. She was of the opinion that now she would be about the last one SAWYER would contact. She has placed on deposit for MRS. SAWYER \$75.00, the proceeds on the car sale, but does not believe that MRS. SAWYER will return for this small sum. ALICE CONRAD stated that it would perhaps be better for her if she did know something concerning the whereabouts of HARRY and MRS. SAWYER as she is apparently believed to know something which she is concealing.

ALICE CONRAD further advised that she is leaving Minneapolis about the middle or the first week in March for Chicago, Illinois. She will then definitely leave Chicago March 15, 1935, for New York City by bus and will go to the home of her sister, MRS. CARLO MORATTI, 54 West 36th Street. She will return to Chicago from there, date not known but perhaps two weeks or so later, and may then go to work in Chicago if she can locate a position.

PAUL CONRAD, father of ALICE CONRAD, entered during the interview and advised that he was janitor at the Old Colony Building, 324 - 4th Avenue South, Minneapolis, and that a Jew named WALTER, last name unknown, proprietor of a liquor store in that building, some time ago made the remark that SAWYER was perhaps in Cuba. This was during the time that there were some newspaper articles to the effect that SAWYER was thought to be in custody, and this Jew named WALTER remarked that if SAWYER was not in custody he would be in Cuba. MR. CONRAD said that he would determine the full name of this party known to him as WALTER so that this party could be interviewed if desired.

RBN:AGF

In addition thereto, agents called at the 620 Club, Jack Davenports Saloon, and other possible contacts of SAWYER, but no trace of him was found.

ROY McCORD, referred to above, was brought to the Ramsey County Jail, where he interviewed ARTHUR BARKER, and stated that he would not be able to identify his assailant but that BARKER would fit the general description of one of the men who shot him as nearly as he could give it.

Special Agents Coulter and Brennan interviewed EDNA MURRAY regarding this shooting and advised her that the license number on the Ford Coupe, occupied by the two men and the woman, was issued to her at White Bear Lake. She stated that she knew nothing about this shooting other than what she had read in the newspaper; that, while she and VOLNEY DAVIS were in St. Paul at that time, their car was not used as it was in a wrecked condition; that "DOC" BARKER had a Ford Coupe but that she does not know where he obtained the license, or under what name; that she and DAVIS left Chicago just prior to the kidnaping and that their car was sold somewhere in Chicago by DAVIS.

BRYAN BOLTON informed agent, at the Ramsey County Jail, that there is a house located at or near 95th and 115 streets, probably at or near 105th Street, on Cicero, or Western Avenue, in Chicago, where KARPIS used to stay; that the location of this place was unknown to any members of the mob, other than FRED GOETZ; that he, BOLTON, has been endeavoring to recall the location of this place for some time but cannot do so and that he has never been there, but that GOETZ told him of the approximate location, as given above, and stated that it is in a sparsely populated neighborhood. BOLTON suggests that inquiry might be made in these neighborhoods, and it might be developed that someone who might be "kinky" might reside thereabout, whereupon this house might be located, as he believes that should KARPIS be in Chicago he will probably hide there.

Referring to letter from the Chicago Office, dated 2-28-35, ELMER FARMER was interviewed at the Ramsey County Jail relative to information concerning activities of the agents of the Chicago Office being secured by former members of the Capone Syndicate, and others. FARMER disclaimed any knowledge of this and stated that his information concerning the apprehension of "DOC" BARKER had been obtained from the newspapers. Subjects BOLTON and ALDERTON were also casually questioned in regard to the above, but professed to have no knowledge of anyone obtaining information as to the activities of the agents in the Chicago Office.

Referring to copy of a letter from the Chicago Office to the Oklahoma City Office relating to certain money orders which were forwarded by VOLNEY DAVIS to MOTT STANLEY, Subject JESS DOYLE was interviewed at the Ramsey County Jail and stated that, to the best of his recollection, two \$100 money orders were received by STANLEY, at Commerce, Oklahoma, during the summer of 1934, and were given to DOYLE about three weeks later and that he cashed them at the Post Office at Commerce, Oklahoma. DOYLE is unable to recall the place where these money orders were issued, or the month when received. This information was forwarded to the Oklahoma City Office by letter, under date of March 7, 1935.

The following memorandum was submitted by Special Agent S. L. Fortenberry:

On the afternoon of February 8, 1935 agent was stopped in Bemidji, Minnesota, by R. H. Bitney, Superintendent of the Red Lake Indian Agency, and he stated that he had just called the Bureau Office at St. Paul asking that an agent be sent to Bemidji. Agent contacted Acting Special Agent in Charge R.C. Conter at St. Paul and was told to get any information available from Mr. Bitney. b7c b7d

Mr. Bitney stated that [REDACTED] had informed him that he was of the opinion that one HARRY SAWYER was in the vicinity of Bemidji and was being hid by BENNY LARSON. Mr. Bitney further advised that he had known [REDACTED] for quite a long time and had always found his information to be correct. Benny Bradford, Special Agent, Alcoholic Tax Unit, Internal Revenue Department, who has been stationed at Bemidji for a number of years, advised that [REDACTED] was a very good informant of his and that his information was always correct.

The following day agent was able to locate [REDACTED] and he advised that HARRY SAWYER was well known to him and that it was his opinion that he was probably now in the vicinity of either Bemidji or Grand Rapids, due to the fact that BENNY LARSON, a known bootlegger and strongly suspected dope peddler, had been leaving Bemidji and returning at suspicious hours, indicating to him that someone was with him. It was further ascertained [REDACTED]

[REDACTED] BENNY LARSON keeps an apartment at the Stevens Apartments in Bemidji; that he keeps a house in Grand Rapids, Minnesota, and owns a farm on the road between Deer River and Big Fork, Minnesota. [REDACTED] advised that he was under the impression that BENNY LARSON was at that time in the city of Bemidji. Agent accompanied with [REDACTED] attempted to locate MR. LARSON but was unable to do so. [REDACTED] stated that he would attempt during the night of February 9th to ascertain the present whereabouts of BENNY LARSON.

On Sunday, February 10, 1935, [REDACTED] advised this agent that [REDACTED]

[REDACTED] whose first name he did not give this agent, had advised him that Miss Sprague, [REDACTED] which is understood to be kept by BENNY LARSON, had told [REDACTED] that LARSON was leaving Bemidji that day to go to Winnipeg. Agent and [REDACTED] watched the apartment house and at approximately two o'clock that afternoon BENNY LARSON left the apartment house and took the road toward Winnipeg. Since there was nothing definite in the information obtained, agent did not work further on this matter.

Referring to report of Special Agent W.C.Ryan, Chicago, dated 2-19-35, Special Agent John E.Brennan conferred with United States Attorney Sullivan, St.Paul,Minnesota, regarding the probability of prosecution of BRUNO PUTIS, on the day that his case was called for trial in the State Court at Chicago. Mr. Sullivan stated that he believes that PUTIS should be removed to St.Paul, but would withhold any expression as to prosesution in the Federal Court here until a later date.

Referring to communication from the Detroit Office, dated 2-23-35, regarding CHARLES JAFITZGERALD, and subsequent correspondence between that office and the Los Angeles and San Francisco Offices, it is noted from the St.Paul File that BELLE BORN was referred to in the above letter from the Detroit Office as BELLE FITZGERALD. BELLE BORN is a woman, whose maiden name was ISABEL ANDERSON, and who was later married to an Army Officer by the name of BORN, but who is now divorced from him. She has a farm located at South Bend, about two miles west of Mankato, Minnesota.

Special Agent R.T.Noonan, who made inquiry at this place in the early part of this investigation, again made investigation near Mankato, Minnesota, and submitted the following memorandum:

The following memorandum is submitted by Special Agent R. T. Noonan:

On Sunday, February 24, 1935, the residence of BELLE BORN, located in what is known as South Bend, about two miles west of Mankato, Minnesota, on Highways 5 and 16, was observed for the purpose of determining whether CHARLES FITZGERALD or BELLE BORN might be now there.

It was noted that the shades were drawn and the house did not appear to be occupied. There was no smoke coming from the chimneys; and although it was a very cold day, there appeared to be no frost on the windows.

An elderly man with a Chevrolet, about 1930 model, with a number of children in the car, was parked in front of the place, trying to get his car started, and was engaged in conversation by agent so that this place could be observed for a short period of time. There is a double garage located on the south side of this house, the driveway being closed by a gate. Because of the snow which was falling and blowing in the form of a blizzard at the time of the observation, it was impossible to tell definitely whether this driveway had been used recently, but it did not appear to be in regular use.

This house was again observed early on the morning of February 25, 1935, the shades being still drawn, and it apparently was deserted.

As set out in memorandum submitted by this agent February 20, 1934, this house was under observation by agent under that date and was found to be in the care at that time of MR. and MRS. O. R. NEUFELDT, the lady being the aunt of BELLE BORN.

The information which led to the investigation of this place was obtained from HERBERT L. CRANE, a farmer who resides on a hill about one mile south of this place. It appears advisable to re-interview HERBERT L. CRANE and enlist his aid in maintaining a continual observance of this place inasmuch as CRANE passes close to this house on each occasion that he goes to the city of Mankato.

A mail cover is not being requested at this time inasmuch as teletype from the Bureau of this date (February 25, 1935) requests that the stop order on the automobile known to be in the possession of FITZGERALD and this woman be dropped.

RIN:HVS

The sheriff at Mankato, Minnesota, had previously reported that he had arrested a neighbor of BELLE BORN'S, by the name of PAUL ANDERSON, who was sentenced to St. Cloud Reformatory; that ANDERSON and BELLE BORN were bitter against one another and it was suggested that ANDERSON would probably disclose what information he had concerning this woman.

Special Agent S.L.Fortenberry interviewed ANDERSON at the St. Cloud Reformatory, St. Cloud, Minnesota, and ANDERSON stated that he knew BELLE BORN, at Mankato, and considered her a good friend; that he lived next door to her for about three months in 1930 and that the rest of his life he had lived several miles from her; that he knew nothing about her and had never seen anyone frequenting her home other than the neighbors in the town of Mankato.

Referring to the report of former Special Agent O.G.Hall, dated 1-4-35, at St.Paul, Minnesota, Special Agent S.L.Fortenberry conducted the following investigation:

The following investigation was conducted by Sp. Agt. S. L. Fortenberry:

MR. R. C. WISTRON was located and interviewed at Big Fork, Minnesota, and he advised that he formerly lived at 1814 Piedmont Avenue in Duluth, Minnesota, and that he operated a barber shop. MR. WISTRON is now operating a small barber shop in the village of Big Fork. He was questioned as to his knowledge of members of the gang indicted for kidnaping of EDWARD GEORGE BREMER, and stated that he was not familiar with any of the names.

The photographs of VOLNEY DAVIS, FRED BARKER, ALVIN KARPIS, ARTHUR BARKER, HARRY CAMPBELL, JOSEPH P. MORAN, WILLIAM WEAVER, RUSSELL GIBSON, JESS DOYLE, HARRY SAWYER, C. J. FITZGERALD, MYRTLE EATON, EDNA MURRAY, DORIS O'CONNOR and KATE BARKER were displayed to him and he stated that he was unable to recognize any of the pictures as any person ever having been seen by him before.

Questioned as to the whereabouts of his former wife, he advised that he had not seen her since he divorced her approximately seven years ago and had no knowledge as to her present whereabouts. He further stated that it might be possible that since she had divorced him, she might have come in contact with some of the persons in question, but that to his knowledge, she did not, during the time she was living with him, and that he was positive that no members of this gang had ever frequented his barber shop in Duluth, Minnesota.

SLF:HVS

Referring to communication from the Chicago Office, under date of March 8, 1935, Special Agent Brennan conferred with United States Attorney Sullivan, St. Paul, Minnesota, regarding the suggestion of Assistant United States Attorney Leo Hassenauer, of Chicago, that removal papers for OLIVER A. BERG be forwarded to the warden of the Illinois State Penitentiary, at Joliet, Illinois. Mr. Sullivan was not in accord with this suggestion but, instead, on March 11, 1935, on which date a non-est return was made on the bench warrant issued for OLIVER A. BERG, forwarded a certified copy of the indictment and bench warrant, bearing non-est return, to the United States Attorney at Chicago, Illinois, and the Chicago Office was notified by letter of the request of the United States Attorney with regard to procuring a fugitive warrant at Chicago and filing a detainer with the warden of the Illinois State Penitentiary at Joliet. Mr. Sullivan stated that this case will probably be tried during the second week of April, 1935.

Re: Alvin Karpis, with aliases -

Kidnapping.

Dear Sir:

Reference is made to the report of Special Agent John E. Brennan dated at St. Paul, Minnesota, March 11, 1935 submitted in the above entitled case. It is noted that the United States Attorney at St. Paul, Minnesota is withholding his opinion relative to the prosecution of Bruno Austin, alias Putis, alias "Whitie".

The Bureau feels that immediate steps should be taken to prevent the release of Austin by the local authorities at Chicago, Illinois, and to that end, you should suggest to the United States Attorney at St. Paul, Minnesota that the same procedure should be followed as was suggested by him in the case of Oliver A. Berg as set forth in the concluding paragraph on page 9 of the above referred to report.

This matter should receive your immediate attention.

Very truly yours,

John Edgar Hoover,  
Director.

Although several summary reports have been submitted in this case, they were prepared prior to the actual location of the hideout and the interviews with Byron Bolton, Elmer Farmer and Harold Alderton. I believe that an individual summary report should be prepared setting forth the evidence available against each defendant named in the indictment returned at St. Paul. I believe that Agent K. R. McIntire, presently assigned to the Chicago Office, is probably the best qualified man for the preparation of these summary reports, and believe that Agent J. E. Brennan is qualified to assist in the preparation of these reports. The preparation of these summary reports will require a considerable period of time and should be prepared in the St. Paul Office. I believe, therefore, that it would be well to transfer Agent McIntire to St. Paul, where his services can of course be appropriately utilized at all times, after the completion of the preparation of the summary reports.

Respectfully,

MEMORANDUM FOR MR TAMM

RE: Bruno Austin

Colonel Gates telephoned and advised that he had received several inquiries from the press regarding Bruno Austin being held in Chicago. I stated that I had no knowledge as to why he was being held by the police, but that Bruno Austin was indicted in the Bremer Case about one month ago when indictments were returned against Karpis and the rest of the gang. Colonel Gates stated that he was unable to find the release on this. I stated that a list was sent around to him of all persons indicted. I further stated that Austin was arrested sometime ago by the local police in Chicago and not by us.

Colonel Gates stated that the Universal News Service advised him that the Associated Press had a story from me. I stated that this was incorrect; that the Associated Press called and wanted to know whether a man named Bruno Austin had been indicted in the Bremer Case, and they were told that he had.

I advised Colonel Gates that Austin was a member of the Barker-Karpis gang and would be on his list as "Whitie". Colonel Gates inquired if Austin was being held at our request. I stated that he was not, but that we would take him when the local police are through with him. I stated that when Austin was indicted in St. Paul, we did not know where he was, and that he has since been arrested in Chicago.

Dear Sis,

In all probability you think you are lost from us, & as far as law & order is concerned you are or seem to be.

But! Wynona, it looks to me as though some time or other you would look back to the way Papa & Mama tried to raise we kids and sacrifices they were forced to make for us. Oh! why; didnt you turn that dirty scunk up when you could have redeemed yourself & not cast a reflection on your Bros & Sisters. If my informant is correct you have plenty of time to think now, with little else to do, & as your eldest Bro is asking you to think of the way the world looks at us, when you occupy a space with such as Karpis & Campbell & Deloros, You cant know the grief you are causing us.

What, Oh what? do you think Almighty God feels & thinks when we offer our supplications in your behalf. Will he listen or will he say, Depart from me yea workers of Iniquity I knew yea not,

The world today is blinded in sin. Bowland Hill said, he saw a man leading a hog to the slaughter house, dropping her and there as he went, grains of corn. He said when he saw it, he thought of how satan was leading people to that slaughter house of his by dropping here and there as he went worldly pleasure.

Dear Sir:

Reference is made to a letter, a copy of which was forwarded to you, from the Bureau Office at Jacksonville, Florida to the Oklahoma City Office under date of March 12, 1935, transmitting a typewritten copy of a letter to Wynona Burdette from Aaron Burdette, dated March 8, 1935.

A copy of the above letter to Wynona Burdette has been examined in the Bureau's Laboratory for indications of a possible code, but no such indications have been found; the wording seems to be too coherent to represent a selective word code, the type most likely to be found in such a letter.

In this same connection, it is suggested that it may be desired to ascertain whether the small yellow card stated to have been enclosed with the above letter is a genuine Tract of the Gospel Truth Society, Gravette, Arkansas.

Very truly yours,

John Edgar Hoover,

"Dearest Jess:

"Please Dear dont give up. Your note made me feel badly. perhaps I dont understand the procedure there. But I do know we can prove we had no part in that kidnapping.

"Do you have a Lawyer? If so, have Him write particulars to address on enclosed card.

"Yes Jess you are quite right. We should be happy to nite, instead of miserable. But I feel I did my bit as oft times my suggestions were never considered, and silence is what I got in return. And I often wondered why. But since this miserable catastrophe I can only think of your condition. If you have enough to eat, if you are warm, your kindness and the love I hold for you. Why should you write you have lost me? When you wrote me not to implicate you in anything, I could not understand your meaning. For if you ever did any thing, it was before I met you. I know you could not have while we were to-geather.

"I plan to make a bond here next week. If the Government takes charge of me no doubt Ill be up. I dont know why they should, But they were quite angry at me when they left, so I expect most any thing. Said you had told them we knew you had been indicted. But I know I didn't know and dont believe you said as much. I got my rings back, and saved the money by an unexplainable miracle. I can arrainge to send any part or all of it to you.

"I sent a Lawyer to see H.C. & Sybol. They are quite sick. Where's your car? Why don't you try and have this Lawyer get it?

"Were the papers correct on your capture? I have my doubts. You looked so tired in your pictures, made my heart ache.

"I havn't heard from home only indirrect. Every thing is okay. One of the Gov agents said He was going down to take your ring & pin and question them. Did you give them your ring? Write me some thing about your Self. I am fine only lone-some for you.

"Love Ever. Doris

"11 - P.M. Just brought Earl in, arrested Him this A-M in Preston's car. Put Him in the death cell which joins the Girls. I have been talking with him, He said it is awful the things they can imagin. Put investigation as the charge. Ill let you know what they do.

"He said they told Him Preston had been stealing. Earl did not know that Edna bought the car for Him. One of the colored Girls is singing, (for all we know we may never meet again) and how it hurts.

CONTACTS, HISTORY, WILLIAM J. HARRISON

This is a joint report of Special Agent J. L. Madala and the writer and is intended to set out in brief the history of William J. Harrison since he is first known to have resided in the Chicago Bureau Office territory. A previous report submitted by Special Agent R. L. Shivers, St. Louis, Missouri, dated February 2, 1935, sets out the history of William J. Harrison prior to his coming to Calumet City, Illinois and Hammond, Indiana in approximately 1926, where he has almost continuously resided up to the past year.

The purpose of this report is to set out the known contacts of William J. Harrison in the Chicago Bureau district and the outstanding persons that he and other members of the Karpis-Barker gang have been connected with, as reflected in reports received by the Chicago Bureau Office.

The contacts of Willie Harrison are being submitted in alphabetical order in order to assist the various offices conducting investigation for the purpose of locating Harrison and the remaining members of the Karpis-Barker gang.

HISTORY

Harrison was first known to have resided in Calumet City, Illinois in the year of 1925. It is to be noted that Calumet City, Illinois, when mentioned hereafter, is immediately adjacent to Hammond, Indiana. Persons mentioned as residing in Hammond, Indiana, who have been connected with Harrison, might equally have known him in Calumet City, Illinois, and vice versa.

Harrison is reported to have been employed in Burnham, Illinois at the municipal golf course, <sup>in 1928</sup>. This report has not been verified.

Almost continuously from 1926 until late in 1933 Harrison was connected with the sale or liquor, either in operating taverns, tending bar, or running liquor.

For two years prior to 1930 Harrison is reported to have been employed as a bartender by one John McGinnity, at Calumet City, Illinois. Thereafter he operated taverns at Calumet City, Illinois, where he is widely known. From early in 1930 to March 16, 1932 Harrison operated a tavern at 403 State Street, Calumet City, Illinois. This tavern was frequented by some of the business men of Hammond and Calumet City, by politicians, and by hoodlums.

Harrison is reported to have played golf frequently at the Burnham Woods Golf Club, where Al Capone and his brother, Ralph, and other members of the Capone syndicate are reported to have formerly played golf. During this time and thereafter Harrison is reported to have frequently played golf with W. W. O'Brien, a well-known criminal attorney of Chicago, and who is reported to have been a lawyer formerly retained by the Capone syndicate. May Green, who resided with Harrison as man and wife at Calumet City, Illinois during the summer of 1933, stated that Harrison likewise was very friendly with Gus Winkler, now deceased, who formerly was one of the most notorious hoodlums in Chicago and one of the principal members of the Capone syndicate. Investigation at Calumet City and Hammond has resulted in information that, although Harrison was closely connected with members of the Capone syndicate, he was not a member thereof. The connection of Harrison and the Capone syndicate should not, however, be overlooked.

Mention will be made of W. W. O'Brien hereafter, indicating that he is closely connected and very friendly with Harrison.

In connection with the Burnham Woods Golf Course it should be noted that it is a municipal golf course located at Burnham, Illinois, immediately adjacent to Calumet City, Illinois. The mayor of Burnham, John Patton, is reported to have been one of the former heads of the Capone syndicate and is reported to be friendly to Harrison.

The following known previous addresses of Harrison at Hammond, Indiana and Calumet City, Illinois are reported:

1929 - 221 West State Street, Calumet City, Illinois.  
Early in 1929 - Southmoor Hotel, Hammond, Indiana.  
May 6, 1929 - #2 Ruth Street, Calumet City, Illinois.  
March 12, 1930 - Savoy Hotel, Hammond, Indiana.  
March 9, 1933 - 310 West Mason Street, Calumet City, Illinois.  
March 11, 1933 - 48 Waltham Street, Hammond, Indiana.  
March 19, 1933 - 5 Waltham Street, Hammond, Indiana.  
November 3, 1933-16 - 154th Place, Calumet City, Illinois.  
Late November, 1933 - Savoy Hotel, Hammond, Indiana.

In connection with the address of the Southmoor Hotel, where Harrison is reported to have resided in 1929, it is noted that on St. Valentine's Day, February 14, 1929, the date of the St. Valentine's Day Massacre in Chicago, Fred "Killer" Burke and Charles J. Fitzgerald are reported to have been residing at the Southmoor Hotel at Hammond, Indiana. Burke was under suspicion as one of the perpetrators of this massacre. It is likewise reported that Harrison was residing at the Southmoor Hotel on this date or shortly thereafter.

During the year of 1932, investigation has developed the fact that Charles J. Fitzgerald, alias "Big Fitz", resided with one George Brooks near Calumet City, Illinois. Brooks was killed outside his home in a gang murder during the time that Fitzgerald was residing with him. Likewise, during this period, it is known that Harrison apparently was well acquainted with Fitzgerald. Fitzgerald was likewise often seen in the company of Homer J. Wilson, alias "Big Homer", who has been mentioned frequently in this, as in other cases, as a notorious bank bandit. Harrison was likewise well acquainted with "Big Homer".

Investigation has developed further information that Harrison frequently went to Florida in the wintertime where he is known to have been employed in operating taverns and in working about dog racetracks. Early in the year of 1933 Harrison was in Miami, Florida with his former wife, Ruth Heidt, where he stayed for several months. On his return he became acquainted with Mac Green, now located in St. Louis, Missouri, and lived with her as man and wife at Calumet City, Illinois from March to September 1, 1933.

Up until this time by reputation Harrison was considered a petty bootlegger, somewhat of a braggart and harmless, and is not known to have engaged in any serious criminal activities. His connections with well-known criminals prior to this time had been made as a result of his unusual ability to play golf and his frequenting the Burnham Woods Golf Course where members of the Capone syndicate played.

Early in the month of September, 1933 Harrison introduced Kate Barker, deceased, mother of Fred Barker, deceased, and "Doc" Barker to Julius Meyne, a well-known Hammond business man, and through his acquaintance obtained a letter of reference for Mrs. Barker, which she later used in renting apartments. This is the first information in the files of the Chicago Bureau Office indicating that Harrison was acquainted with members of the Karpis-Barker gang. Undoubtedly Harrison had been acquainted with the Barkers prior to this time. In the latter part of September, 1933, by prearrangement, Harry Campbell met Wynona Burdett at the Savoy Hotel, Hammond, Indiana, and there introduced her to William Harrison. Fred and "Doc" Barker were present during this meeting.

In November of 1933 Harrison was arrested at Hammond, Indiana on a charge of assault with intent to rape, and was incarcerated in the Crown Point, Indiana Jail. After his release on bond he left Hammond, Indiana and Calumet City, Illinois and apparently came to Chicago, for, during the latter part of December, 1933 and early in January of 1934, it is known that Harrison lived with Fred Goetz and Irene Dorsey in an apartment at 1957 West Garfield Boulevard, Chicago, Illinois. During the time he was residing with Goetz, Goetz was attempting to have the indictment dismissed against Harrison. The indictment was at a later date dismissed for lack of a prosecuting witness.

When Harrison left Hammond, Indiana it was the general information of persons residing there that he had gone to Cicero, Illinois, where he was reported to have started up business in operating a tavern with another man whose identity is unknown. He has been seen in the vicinity of Hammond, Indiana and Calumet City, Illinois only occasionally since this time.

During the time that Edward G. Bremer was being held at Bensenville, Illinois Harrison frequently visited the hideout, and is reported to have been the outside contact man for the Karpis-Barker gang during the kidnapping. On January 23, 1934, while Bremer was being held, at Campbell's instructions Wynona Burdett and Paula Harmon left St. Paul, Minnesota, and on their arrival in Chicago contacted Harrison by telephone at Hammond, Indiana. Harrison obtained an apartment at the Biltmore Apartments, 6247 University Avenue, for them, and he frequently visited them during the time Bremer was being held by the Karpis-Barker gang.

Early in February, 1934 Harrison, with Harry Campbell and Wynona Burdett, proceeded to Toledo, Ohio, where they registered at the Algeo Hotel, and apparently has been with members of the Karpis-Barker gang almost continuously since that time. According to Charles Becker, bartender at the Casino Club, which is operated by Ted and Bert Angus, well-known Toledo hoodlums, Harrison was formerly in business with a brother of Ted and Bert Angus in Chicago, Illinois. He apparently introduced the other members of the gang to Ted and Bert Angus. Thereafter Harrison resided with Harry Campbell, Karpis, Fred and "Doc" Barker at Huron, Ohio and Cleveland, Ohio.

In September of 1934 Harrison is known to have been in Miami, Florida, and in Cuba. In the latter place he was active in the exchange of ransom bills, with Cassius ("Cash") McDonald. McDonald is reported to be a close friend of Harrison, and Harrison is reported to frequently visit Detroit, Michigan, McDonald's home. Harrison, during this time, was likewise seen on several occasions with Harry Sawyer, and apparently is very friendly with Sawyer. Harrison is known to have been back in Chicago on November 20, 1934 where he rented an apartment at 3920 Pine Grove Avenue for "Doc" Barker, under the name of J. B. Bolton. At the time he rented this apartment Harrison gave as reference the name of W. E. O'Brien. O'Brien undoubtedly is an important contact of Harrison due to the friendship existing between them. Russell Gibson was later killed at this address in

resisting arrest by Bureau Agents. Later, with Mildred Kuhlman, paramour of "Doc" Barker, Harrison rented an apartment at 432 Surf Street on December 15, 1934. He is known to have occasionally stayed both at the Pine Grove address and the Surf Street address with the above-mentioned persons.

Harrison proceeded to Miami, Florida with Byron Bolton late in December, 1934, returning early in January. He apparently returned to Florida and thence to Cuba, as he has been identified as being in Cuba as late as January 21, 1935. On his trips to and from Cuba Harrison made use of the Pan American Airways. Information has likewise been obtained that Harrison on previous occasions has traveled by air. This information may be of importance should it be deemed advisable at a later date to notify the offices of air transport companies in the principal cities to keep a watch for Harrison and other members of the Karpis-Barker gang.

Harrison is known to frequent gambling resorts and racetracks. He formerly played golf frequently but there is no indication that he has golfed in the past year. He is considered an excellent golfer, and it is possible that he is posing as a golf instructor at the present time. He is somewhat of a braggart and considers himself somewhat of a "ladies' man", is vulgar in his speech, is reported to smoke cigars almost continuously, occasionally carries a cane and likewise chews tobacco. He is widely acquainted. For this reason he apparently makes connections for members of the Karpis-Barker gang throughout the country and is undoubtedly with one or more of them at the present time, because of his apparently close connections with Sawyer, who is reported at the present time to be harbored by Frankie Foster, well-known Chicago hoodlum, who is in New York at the present time, and his close association with Charles J. Fitzgerald, alias "Big Fitz", as well as with Campbell and Karpis, any investigation directed to locating these members of the gang should likewise be just as intensively directed in locating Harrison, who undoubtedly will be with some of the Karpis-Barker gang.

Following is a list of the persons and places with which Harrison and other members of the Karpis-Barker gang have been connected:

ADAMS, JOSEPH, El Commodore Hotel, Miami Florida - Contact of the Karpis-Barker gang in Florida and a close friend of Harrison; presently under federal indictment in Miami, Florida for harboring Alvin Karpis, et al. See statement of Byron Bolton, report of Special Agent K. R. McIntire, Chicago, Illinois, dated January 25, 1935, Page 19; report of Special Agent in Charge J. H. Hanson, Jacksonville, Florida, dated February 20, 1935, Page 85.

ALLDERTON, HAROLD V., 1B15 East Jefferson Street, Kokomo, Indiana - Bremer held in Allderton's residence from January 17 to February 7, 1934; presently under indictment for conspiracy to kidnap Bremer. See Allderton's statement, report of Special Agent K. R. McIntire, Chicago, Illinois, dated January 25, 1935, Pages 57 and 64.

ALGEO HOTEL, Toledo, Ohio - Frequent by members of the Karpis-Barker gang. See statement of Edna Murray made February 12, 1935, report of Special Agent R. P. Shanahan, Kansas City, Missouri, dated February 21, 1935.

ALGIERS CLUB, Chicago, Illinois - Tavern frequented by Russell Gibson and "Doc" Barker. See statement in report of Special Agent K. R. McIntire, Chicago, Illinois, dated February 11, 1935, Page 12.

ALTERIE, LOUIS, 922 Eastwood Avenue, Chicago, Illinois - This individual is a good friend of Eddie Donovan and Johnnie Bell, formerly co-owners of the Green Lantern Cafe, Chicago. It is known that he was friendly with Russell Gibson, Ollie Berg and "Doc" Moran, and it is possible that he is a contact for Willie Harrison.

ANGUS, BERT, Casino Club, Toledo, Ohio - Bert Angus and his brother, Ted, are owners of the Casino Club, frequented by members of the Karpis-Barker gang. Angus is a contact for notorious criminals, and is reported to be a close friend of William Harrison. See report of Special Agent R. D. Brown, Chicago, Illinois, dated January 8, 1935, Page 51.

ANGUS, MADELINE, Casino Club, Toledo, Ohio - Wife of Bert Angus; friend of William Harrison, having associated with Harrison considerably in Toledo during the spring of 1934 while Harrison was residing with other members of the Karpis-Barker gang.

ANGUS, TED, Casino Club, Toledo, Ohio. (See Bert Angus.)

ARTER, DOLLY, a night club hostess who resided with Charles J. Fitzgerald, alias "Big Fitz" at Lansing, Illinois, during 1932; undoubtedly acquainted with Harrison. See report of Special Agent R. D. Brown, Chicago, Illinois, dated January 8, 1935, Page 11. (See Dolly Brooks).

AUSTIN, BRUNO, Cook County Jail, Chicago, Illinois - Acquainted with Harrison, his ex-wife, Ruth Heidt, and other members of the Karpis-Barker gang, with whom he stayed in Chicago during the latter part of 1934. Each office is requested to carefully study the various contacts of William J. Harrison and the addresses of the individuals and places listed in this report, after which appropriate investigation should be instituted looking towards the location of Harrison and other members of the Karpis-Barker gang. In the event Subject Harrison is located it is suggested that the Chicago Bureau Office be immediately advised and that appropriate arrangements be made to place him under constant surveillance for a period of time in an effort to locate other members of this mob.

Dear Sir:-

Reference is had to your letter of February 13, 1935, in regard to Alvin Karpis, with aliases, I.O. #1218, fugitive, et al; Edward George Bremer, Victim, Kidnapping, requesting information relative to 1934 Iowa license plates 97-13538.

The Sheriff of Woodbury County, Sioux City, Iowa, informs as follows relative to these plates:-

"In answer to your communication of the 16th ult., regarding 1934 Iowa license plates 97-13538, as to who they were issued to and other information,

"These plates were issued to Douglas G. Luke, address at that time was No. 4 Shore Acre Court, Sioux City, Iowa. He was living with his wife and they were staying with his sister and brother-in-law, Mr. and Mrs. F. B. Peterson, who at the present live at No. 4 Short Acre Court. His brother-in-law, F. B. Peterson, is bookkeeper for the Sioux City Gas and Elec. Company here and has worked for them approximately 20 years, his record appears to be 100 per cent.

"He has a brother in Sioux City on the police force and has been in that department for a number of years. It is my understanding that he does not at the present write to either his brother or sister. Sometime last summer, he moved to Chicago, 616 South Mayfield St., but his last known address was 6206 So. Normandy Ave., Chicago. He left Sioux City owing a gasoline bill which has not been paid by him. He took his wife and car to Chicago and it is not known if transfer of car or license plates were made as there is no record in the automobile department of the Court House."

ing addresses as places where he resided: 2824 Utah St., St. Louis, Missouri and 2419 Spencer Ave., Overland, Missouri. He said that he was born at Poplar Bluff, Missouri in 1909. His description, as contained in the files of the St. Louis Police Department, is as follows:

Height	5 feet
Weight	155
Build	slender
Complexion	fair
Eyes	azure blue
Hair	light chestnut
Teeth	full
Occupation	baker
Marks and Scars	3 inch curve cut scar on cheek under left eye
Marital status	married, wife, Bertha Johnson, 2419 Spencer Ave., Overland, Missouri.
Relatives	Mother and father dead.

The records further revealed that Johnson was arrested in front of 3864 Delmar Blvd., St. Louis, Missouri on 1/9/32, at which time he was driving a Ford Coupe, bearing Missouri license number 658-939. This car was searched and the officers found therein some men's sweaters and other merchandise. There was also arrested with Johnson a person who gave his name as George Paul, St. Louis Police Department #28871, 3864 Delmar Boulevard. The officers found in his room a Gladstone bag, containing 55 swimming suits, a number of sweaters and some underwear, which property, it is believed, was stolen from the automobile of one Harry Cohen of 435 Laurel Avenue, St. Louis, Missouri.

On 1/6/32, a woman who gave her name as Patsy Dean, alias Mrs. John Conway, age - 21, residence - 4304 McPherson Avenue, was arrested in possession of some sample cases, containing samples of lace curtains, cards of braided bead silk, a looseleaf price book, which was the property of the Royal Bond Company, 222 South Eighth Street. This property had been stolen from the automobile of William H. Pierce, salesman for the Royal Bond Company on 12/22/31.

Johnson was charged with Grand Larceny in connection with the theft of the aforementioned merchandise on 2/19/32 and on 9/16/32, in Criminal Court #11, St. Louis, Missouri, entered a plea of guilty to petty larceny in connection with this case and was sentenced to six months in the City Workhouse.

The records further reflect that Johnson was arrested on 7/23/33 at 2419 Spencer Avenue, Overland, Missouri, with Lloyd Doyle, mentioned in the foregoing, at which time one Ray Oburn, alias James Murphy, alias Albert R. Oburn, St. Louis Police Department #16578, these individuals being suspects in connection with the holdup of the Papendick Bakery Company, 8500 N. Florissant Avenue, St. Louis, Missouri on 7/1/33. Oburn's Sedan had been observed circling around the bakery on the day prior to the robbery. Oburn was placed in the Central District Holdover of the St. Louis Police Department for investigation and was released on 7/4/33. The records of the St. Louis Police Department further reflect that when Johnson was arrested on 1/9/32, he had in his possession a certificate of title for a 1932 model Plymouth Sedan, which automobile was the property of Lloyd Doyle, 2419 Spencer Avenue, Overland, Missouri. A notation appeared on the records to the effect that Doyle was a well known "stick up" man who had given this title to Johnson for safekeeping.

On 12/18/34, the Sheriff's Office at Kansas City, Mo., requested the Bureau to furnish Johnson's criminal record, Johnson having been arrested by the Sheriff's Office at Kansas City on 12/18/34, on a charge of carrying concealed weapons. The following record of Johnson was furnished to the Sheriff's Office at Kansas City, Mo., copies being sent to the St. Louis Police Department, the Kansas City, Missouri Police Department and the Sheriff's Office at Clayton, Missouri.

Arrested St. Louis Police Dept., as Lasko Johnson, #33942, 1/9/32, charge - grand larceny; disposition: 9/16/32, sentenced six months to City Workhouse.

Arrested Sheriff's Office, Clayton, Mo., as Lasko Johnson, 6/6/33; investigation.

Arrested Police Department, Kansas City, Mo., as Otto Jackson, #22596, 11/14/34; charge - auto theft.

Lieutenants Murphy and Detert of the Detective Bureau, St. Louis Police Department, as well as other St. Louis Police Officers, who knew Johnson, Doyle and Oburn, stated that neither Johnson, nor Doyle, to their knowledge, operated a night club, tavern or joint in St. Louis and that the only person who would fit the description of one "Leo" mentioned in the telegram of reference was a Greek, who used the alias Tom Bishop, deceased, whose true name was unknown. Bishop operated a tavern six or seven years ago somewhere on the west side of 18th Street, north of Lucas Street in St. Louis, at which time Doyle and Johnson were associates of Bishop. Lieut. Murphy described Bishop, as follows:

Age	45
Height	5' 8 or 9"
Weight	150f

Eyes dark  
Hair dark  
Peculiarities large head

Lieut. Murphy further stated that Doyle, to his knowledge, was in and around St. Louis for approximately 12 or 15 years, however, that Johnson, to the best of his recollection, was not in St. Louis for more than four or five years.

Lieut. Murphy further stated that Johnson during the year 1931 worked as a waiter for one Willie King, who presently operates a place known as the Sportmans Athletic Club at Grand Avenue and Natural Bridge Road, St. Louis, Missouri and that Oburn presently operates a hamburger stand at 4300 Manchester Avenue, St. Louis, Missouri and that Oburn and King could possibly furnish information regarding the present whereabouts of Johnson.

Agent made inquiry at the following sub-stations of the St. Louis, Missouri Post Office, but was unable to procure any information regarding the individuals mentioned herein, the carriers stating that these persons left no forwarding addresses and that they were unknown to the postal employees: Preetorius Station, 3501 S. Jefferson, which station serves 2824 Utah St., St. Louis, Missouri; Field Station, 4540 Olive Street, which station serves 4304 McPherson Avenue; and Overland Station, 2612 Woodson Road, which station serves 2419 Spencer Avenue, Overland, Missouri. The Superintendent at the Overland Station stated that numerous inquiries had been made by the St. Louis Police Department and other law enforcement agencies regarding Doyle and Johnson, who formerly resided at 2419 Spencer Avenue, Overland, Missouri, however, that they apparently have not been in Overland, Missouri for two or three years.

It is observed in the report of Special Agent V. J. Wolfe, St. Louis, Missouri, dated 1/31/35, in the case entitled: WALTER HOLLAND, with aliases, I. O. #1200; MRS. GORDON CHASE, with aliases, I. O. #1199; LLOYD DOYLE, with aliases, I. O. #1208; AUGUST LUER - VICTIM; KIDNAPING, {Extortion Through Use of the Mails}, copies of which report were received by the Kansas City Office of the Bureau, that investigation was conducted at Overland, Missouri, in an effort to obtain information regarding Bertha Johnson, who formerly resided at 2419 Spencer Avenue, Overland Missouri.

Photographs of Johnson and Oburn and a more recent photograph of Doyle than that one appearing on I. O. #1208, were procured from the St. Louis Police Department and are being transmitted with copies of instant report to the Kansas City Office of the Bureau. One photograph of George Paul, who was also an associate of the individuals mentioned herein, was procured from the St. Louis Police Department and is being transmitted herewith to the Kansas City Office of the Bureau. The files

of the St. Louis Police Department did not contain photographs of Bertha Conway Johnson and the person referred to as Patsy Dean, alias Mrs. John Conway. Lieut. Murphy furnished agent with a photograph of one Emil H. Hildebrandt, who he said might possibly be identical with the "Leo" referred to in the telegram of reference, however, Hildebrandt had no connection with the other individuals mentioned herein, but his description is somewhat similar to that of "Leo". The photograph of Hildebrandt is also being transmitted herewith to the Kansas City Office.

No efforts will be made to interview Ray Oburn and Willie King, until receipt of additional information from the Kansas City Office of the Bureau with reference to the connection of these individuals with the instant case.

Re: ALVIN KARPIS, with aliases, FUGITIVE,  
I. O. 1240; et al; EDWARD G. BREWER -  
Victims KIDNAPING.

Dear Sir:

Reports have been received by the Bureau indicating that Harry Sawyer, subject of I. O. 1240, is possibly in the vicinity of Newark, New Jersey. Recently, the Post Office Inspectors of Newark, New Jersey, furnished information purporting to have been received from a confidential informant to the effect that Harry Sawyer and his wife, Gladys, were returning to St. Paul to a certain address which investigation discloses is the address of one Alice Conrad, with whom Mrs. Sawyer took up a residence shortly after her release from custody in September, 1934.

Investigation conducted in Florida after the shooting of Fred and Lata Parker at Oklawaha, Florida, disclosed that an individual resembling Harry Sawyer had been identified as the driver of a Packard sedan bearing New Jersey license plates. In this connection, reference should be made to page 8 of the report of Special Agent John E. Brennan, dated at St. Paul, Minnesota, February 14, 1935, submitted in the above-entitled case.

The Bureau feels that every effort should be made to locate Sawyer, and to this end suggests that Special Agent J. J. Keating be assigned to interview Reuben Weiss alias Harry Evans, who is referred to in the report of Special Agent E. V. Hardy, dated at New York City, October 26, 1934, submitted in the case entitled VICTOR C. MILLER, with aliases, Deceased, et al; CONSPIRACY TO DELIVER FEDERAL PRISONER. The files of the Bureau reflect that Pass is acquainted with and has considerable information concerning William Weissman, a former associate of Harry Sawyer. There is also some indication that the parson of Weissman is friendly with Mrs. Gladys Sawyer. The Bureau feels that by conducting a thorough investigation into the activities of Weissman that possibly Sawyer can be located. In this connection, it is also suggested that Louis Buckhalter alias... be given consideration as a possible contact and harbinger of Sawyer.

In continuing this investigation, it is possible that Agent H. P. Gerry, formerly attached to the St. Paul Office, above named, may be available.

Kidnapping

Dear Sir:

On March 12, 1935 Special Agent Friar of the Washington Field Office telephonically furnished the following information:

Mr. O.L. Johnson, owner of the Ford Garage at Fredericksburg, Va., furnished information to the effect that about two months ago a Ford Sedan, maroon color, stopped at his Service Station. This car contained two men and two women. Further that the recent escape of Subject Alvin Karpis at Atlantic City, N.J., at which time his picture appeared in the paper, was brought to Mr. Johnson's attention and at that time he identified the picture of Karpis as being the driver of the maroon colored car. Further, that this same individual, accompanied by a short blonde woman, stopped at his Service Station at approximately 5 P.M., on March 12th; that the car in which they were driving was a maroon colored Ford Sedan, bearing 1935 Penna. License Plates #14 E 35, and that this car was headed in the general direction of Washington, D.C., from Fredericksburg. Johnson described the driver of the car as being approximately 5' 10", 175 lbs, and wearing a mustache, which was not grown at the time of the previous visit.

Agent Friar requested an immediate check of the registered owner of the 1935 Penna. License Plates.

Through the Automobile Squad, Detective Bureau, Philadelphia Police Department, it was ascertained that the 1935 Penna. tags 14 E 35 were issued to E.G. McBride, 11 Tecumseh Street, Hazelwood, Pa., a suburb of Pittsburgh.

This information is furnished in verification of the telephonic communication had between Special Agent L. Levin of this office, and your office, on March 12, 1935.

KIDNAPING.

Dear Sir:

Reference is made to the letter from the Philadelphia office to your office dated January 25, 1935 concerning one Louie Brooks, an alleged contact and friend of Harry Sawyer, subject of I.O. #1240, the contents of this letter being based on information received from the St. Paul office on the same date.

To date no report has been received from your office reporting the results of this investigation.

For your assistance in this investigation, please refer to the report of Special Agent J. D. Glass, St. Paul, Minnesota, dated November 18, 1932 in the case entitled "Frank Nash, with aliases, FUGITIVE, I.O. 1166, Escaped Federal Prisoner". On page 16 of this report it is stated that Gladys Sawyer, the wife of Harry Sawyer, on August 27, 1932, came to Mr. H. P. Reed, manager of an apartment house at 1018 Osceola Avenue, St. Paul, Minnesota, and rented a \$90.00 a month apartment, stating that she desired the apartment for her brother and his wife of New York City. On that date a heavy set Jewish appearing man of about 45 years of age, who gave the name of Lewis Brooks, moved into the apartment with a woman who was supposed to be his wife. Brooks lived at this address until October 27, 1932. It was further reported that Louie Brooks proceeded to St. Paul at that time in the interest of the defense in the trial of Al Silverberg and Jack Newman for the murder of Al Loeb, a New York gangster. As the information goes, Brooks came to St. Paul from Philadelphia with three other men and it was thought that they were probably there for the purpose of intimidating witnesses or attempting to "fix" the jurors in the trial of the case which was in progress at that time.

DEPARTMENT OF JUSTICE

In this same report there is set out a list of long distance telephone calls made from the telephone of Harry Sawyer. It will be noted that on August 6, 1932 a telephone call was placed to Columbus 63232 in New York City. This number may have some bearing in the investigation looking towards the location of Louis Brooks in New York.

With further reference to this individual, it is my understanding that Louis Brooks was a defense witness at the trial for the murder of John G. Finagle, Prohibition Agent at Elizabeth, New Jersey in the fall of 1930. It will be recalled that Al Silverberg, Jack Newman, William Weissman, Samuel F. Grossman and Nicholas Delmore were indicted for this murder. Both Newman and Silverberg are now serving life sentences in the Minnesota State penitentiary at Stillwater, Minnesota for the murder of Al Koch, above mentioned.

At this time please refer to Bureau letter to your office dated March 9, 1933 in connection with this case in which it is stated that subject Harry Sawyer is probably in the vicinity of Newark, New Jersey; that shortly after the shooting of Fred and Kate Barker at Oklawaha, Florida, an individual resembling Harry Sawyer had been identified at Miami, Florida as the driver of a Packard Sedan bearing New Jersey license plates.

This letter further states that it is believed that by conducting a thorough investigation into the activities of William Weissman, former associate of Harry Sawyer, that possibly Sawyer can be located. It is apparent that Louis Brooks and William Weissman are closely associated, and in view of the information recently received from the St. Paul office indicating that Harry Sawyer is at present hiding out with Brooks, I believe that every effort should be made by your office and the Philadelphia office to locate this individual.

Dear Mr. Hoover

Governor Hoffman in his Inaugural Address stressed the importance of correcting crime conditions in the State of New Jersey. Accordingly the Atlantic City Chamber of Commerce appointed a committee to study the subject and to offer help and suggestions to Officials.

The Committee met with Director of Public Safety William S. Cuthbert and because of the late unpleasantness with Karpis, the statement was made that perhaps the Atlantic City Police Department is not wholeheartedly co-operating with your organization. This the Director vehemently denied and he requested that the Chairman ask you if you get all the help you need from the whole Police Department. The Committee feels that Director Cuthbert will do what he can for you but if full co-operation has been withheld it may have been by members of the Detective Department. Suggestions for improvement of the service will be most welcome so that mis-understandings, if there are any may be corrected.

Relative to the attached letter addressed to Matthew H. Markland of Atlantic City, New Jersey, relative to the information in the possession of the Atlantic City Police Department at the time they unsuccessfully attempted to apprehend Alvin Karpis and Harry Campbell, you are advised that a memorandum placed in the file by Mr. Alt at Jacksonville on January 20, 1935, states: "On January 20, 1935, SAC J. H. Hanson from Miami, Florida, advised that it had been positively determined that Alvin Karpis and Dolores Delaney left Miami at 5:00 P.M. on Wednesday, January 16, 1935 \* \* \*. The Police Department in Miami has made some investigation and has broadcast the description of the car in which they are traveling." Alt then states that he contacted Captain Cannon of the Jacksonville Police Department, and furnished him with a description of the car and the occupants. Relative to the occupants, it may be noted that his statement refers to Alvin Karpis and Dolores Delaney, who was reported at that time to be on the verge of child birth. Subsequent inquiries, however, disclosed that Karpis and the Delaney woman had not left Miami together in this car, but that Dolores Delaney and Wynona Burdette had left Miami by train and that Harry Campbell and Alvin Karpis had driven the described car from Miami, Florida to Atlantic City, New Jersey. The Bureau consequently did not know the identity of the occupants of the car described in the broadcast. Mr. Alt states in his memorandum of January 20, 1935: "I furnished him (Captain Cannon of the Jacksonville Police Department) with a description of the car and occupants; however, I furnished no names".

Respectfully,

February 25, 1935.

Mr. Matthew B. Markland, President,  
M. B. Markland Contracting Company,  
Atlantic City, New Jersey.

Dear Mr. Markland:-

I beg to acknowledge the receipt of your letter dated February 18, 1935, in which you advised that the Atlantic City, New Jersey, Chamber of Commerce has appointed a Committee, of which you are Chairman, to study crime conditions in the State of New Jersey.

You refer to the fact that Mr. William S. Cuthbert, Director of Public Safety of Atlantic City, met with the Committee and that there was a discussion of the work of the members of the Atlantic City Police Department in connection with the situation involving Alvin Karpis, a Federal fugitive from justice. I thought it might be of interest to you to receive information relative to the Karpis incident. Newspaper reports following the escape of Karpis and Harry Campbell indicated that Mr. Cuthbert absolved the Atlantic City Police Department in the escape, blaming lack of specific information in teletype messages concerning these criminals. These newspaper reports further indicated that Mr. Cuthbert stated that had he been advised of the character of the individuals being sought, he "would have had the entire police department on the job."

The records of the Federal Bureau of Investigation reflect that at 2:30 o'clock on the morning of Sunday, January 20, 1935, the police department at Atlantic City received a broadcast teletype message which had originated in a radio broadcast from Jacksonville, Florida, and relayed through Harrisburg, Pennsylvania, reading as follows:-

"BG 454 1-20-35 POLICE INFORMATION WANTED BY JACKSONVILLE FLORIDA POLICE ON A SERIOUS CRIMINAL CHARGE WHITE MAN FIVE FOOT TEN DARK COMPLEXION DARK HAIR DARK EYES VERY SLENDER BUILD ACCCOMPANIED BY WOMAN WHO WILL BECOME MOTHER IN FEW DAYS DRIVING NINETEEN THIRTY FIVE BUICK SEDAN NINETEEN THIRTY FIVE FLORIDA LICENSE D5306 MOTOR 4949155 HE IS ARMED WITH 45 CALIBRE AUTOMATIC AND RIFLE REPORTED TO BE DANGEROUS USE EXTREME CAUTION IN APPREHENSION LEFT MIAMI WEDNESDAY JANUARY 16 NINETEEN THIRTY FIVE HEADED NORTH WANTED BY JACKSONVILLE FLORIDA POLICE ON A CRIMINAL CHARGE CONTACT ABOVE POLICE FOR CHARGES IF APPREHENDED RADIO WEST HARRISBURG PENNSYLVANIA 2.30 AM".

February 25, 1935.

The teletype message quoted above was predicated upon information furnished to the police of Jacksonville, Florida, by the Special Agent in Charge of the Jacksonville Office of the Federal Bureau of Investigation. The identities of the criminals were not disclosed because they were not known to the Federal Bureau of Investigation. It was known that these criminals were members of a very dangerous group and I believe the phraseology used to the effect that they were wanted "on a serious criminal charge"; that "he is armed with 45 calibre automatic and rifle reported to be dangerous use extreme caution in apprehension" fully indicated the dangerous character of the individuals being sought.

I do not desire to criticize any local law-enforcement officials because I fully realize that on many occasions they are faced with obstacles quite difficult to overcome in the way of lack of sufficient equipment and firearms, as well as a lack of proper public support in many instances. Furthermore, any criticism from this Bureau might possibly be misconstrued. Our policy, therefore, has been to refrain from publicity containing any criticism which might result in a controversy with local police officials. However, since Director Cuthbert apparently has indicated that the escape was due to lack of more definite information in the case referred to, despite the data which actually was broadcast, I do feel that you and your Committee are entitled to know the real facts. It clearly appears that Director Cuthbert's statements, if newspaper accounts properly set forth such statements, were entirely uncalled for. The Federal Bureau of Investigation did not know the identity of the occupants of the automobile referred to in the broadcast teletype message, but did know that the car was stolen by dangerous criminals. Certainly, the action of Director Cuthbert does not tend to improve the cooperation that should exist between all law-enforcement officials. Such statements are accepted as facts by many persons and this tends to create criticism and dissension between local and Federal authorities, which as you know is fatal to a proper handling of the crime situation. If Director Cuthbert had taken time to inquire of this Bureau, he could have easily ascertained in a very few moments that the reason the Atlantic City Police Department was not advised of the identities of these criminals was because we did not have this information. Such an inquiry on his part would have avoided the resultant criticism.

I have one further observation to make in this connection. When the criminals were located in Atlantic City through the stolen car, it would seem to have been the better policy to have immediately communicated with the Philadelphia Office of this Bureau, which is only a few hours' distance, so that Agents of the Bureau, in conjunction with the Atlantic City Police, could then have laid proper plans for the capture of the persons who were using the car. This Bureau has proper equipment, such as machine guns and gas equipment, which was readily available. If such arrangements had been made, it is entirely possible that Karpis and Campbell would have been captured.

Mr. Matthew B. Markland.

February 25, 1935.

The foregoing statements are not made in a critical vein but merely as statements of fact which you as Chairman of your Committee are entitled to know. Nor do I desire to in any way detract from the bravery exhibited by individual members of the Atlantic City Police Department in their efforts to effect the apprehension of Karpis and Campbell.

If I can be of any further aid to you, please let me know.

Sincerely yours,

John Edgar Hoover,

It seems to me that, if the newspaper reports are correct in this matter, the action of Director Cuthbert did not tend to improve the cooperation which should exist between all law enforcement officials.

MEMORANDUM FOR MR. Tamm.

Time 2:29 PM

Re: Karpis case.

Mr. Rex Collier telephoned and stated that they had received a dispatch from South St. Paul, copyrighted by the Associated Press, to the effect that County Attorney Harold E. Stassen had made a statement that a gun recovered from the Barker gang had been definitely linked with the murder of Patrolman Pavlak in connection with a holdup in South St. Paul on August 30, 1933, and the killing of Patrolman Miles Cunningham in Chicago, and that the identification of this gun definitely linked the Barker-Karpis gang with these killings. Mr. Collier further stated that the article states certain laboratory tests were made in Chicago in connection with the above, and goes on to quote Stassen as saying "that the machine gun found in the apartment of Arthur 'Doc' Barker, held in connection with the kidnaping of Bremer, has been identified through laboratory tests in Chicago as the weapon which was stolen from the car of Patrolmen Janen and Pavlak, when the latter was killed in a hail of bullets in a \$30,000.00 payroll holdup here". The article further quoted Stassen as saying "through ballistics tests we have also established that the bullets which killed Officer Cunningham on September 22, 1933, came from one of the machine guns used in the South St. Paul holdup. A machine gun bullet taken from the telephone post near the South St. Paul postoffice matched up perfectly with those used in the Federal Reserve holdup in Chicago."

Eric

I advised Mr. Collier that we had made the examination of the gun which was stolen from the police at South St. Paul in the payroll robbery on August 30, 1933 and which had been recovered in the apartment of "Doc" Barker in Chicago when he was arrested there; that this gun was a Thompson sub machine gun from which the numbers had been removed, but that we were successful in bringing out the numbers and tracing the gun from the Auto Ordnance Company to the South St. Paul police. I also advised him that we did not, however, make the ballistics tests referred to in the article; that we had advised the County Attorney at South St. Paul on March 7, 1935, that the gun was the one stolen from the police and the County Attorney had this morning wired me for permission to release this information but that I had not replied as yet, and greatly he had gone ahead and released the information regardless. I advised Mr. Collier that I did not believe it advisable to state that we had restored the numbers in the Laboratory here as it would tend to advise the underworld that they would have to do a more thorough job the next time, but that he could state that an effort had been made to destroy the numbers. Mr. Tamm and that we had been successful in tracing the gun.

At the time Russell Gibson alias Slim Gray was apprehended on January 8, 1935, at 8920 Pine Grove Avenue, Chicago, Illinois, there was recovered from this apartment an auto and burglar gun, number 361601. 3-16-3  
6/14/35

In tracing this gun from the factory, namely the Ithaca Gun Co. of Ithaca, New York, it was indicated that the gun had been shipped to the Stuart-Jeffries Hardware Company, Amboy, Indiana, November 30, 1923.

In reply to a communication addressed to this company, we are advised by Mr. C. R. Stuart of the above named company in Amboy, Indiana, as follows: "We purchased this gun for ourselves and later traded it to EMIL C. NOVOTONY at 324 Jackson, St. Paul, Minn".

Please have check made of this party, in order to determine if possible how this gun got into the hands of Russell Gibson.

Very truly yours,

I. J. CONNELLY,

Mr. Nathan telephoned from the Kansas City Office and stated in checking on a list of women who were included on a correspondence list that Volney Davis had gotten from a matrimonial bureau, they talked to a woman who has had correspondence with him before he was picked up. This woman talked to Davis on the telephone on one occasion at which time he made a date with her, which date, however, was not kept. Last night after one of the Agents had talked to her, she received a telephone call which she believes came from the same man. This man asked that she go out with him last evening. She had been instructed by the Agents to make a date in the event the man called again, but she got so excited that she did not make the date. However, she left the matter in such a position that he promised to call her back. Mr. Nathan advised that this was a local call in Kansas City.

The name that was given to her was Anderson. The name she knew Davis under was Harper, which is the name used by Davis in Kansas City. This woman is pretty well convinced that this latter party is the same man who called her in the first instance. Further, the man in question was out at the home of this woman in her absence on one occasion, and was observed by her mother. The mother is perfectly convinced that this man was Volney Davis. These people live about four miles from the center of the town and are apparently a respectable, middle-class family, the father being a railroad engineer. These people are apparently very anxious to cooperate with the Bureau in this matter, and the girl has promised to make a date with this man if he calls again.

Mr. Nathan desired Bureau authority to rent an apartment about a block from this place, and maintain some Agents out there, at least during the evening hours. He further desired authority to have a telephone installed here. I granted this authority.

Respectfully,

E. A. TAMM

whom she married as a result of correspondence with him on June 3, 1934, at Menan, Idaho. Mrs. Davis stated further that she had written "The Get Acquainted Correspondence Club", Denver, Colorado, about two months ago to have her name withdrawn from its list of applicants. Mrs. Davis described her husband, E. S. Davis, as:

Age	52
Height	5' 10"
Weight	165
Hair	Black - streaked with gray
Eyes	Gray
Moustache	Sandy

Mrs. Davis stated that she had known E. S. Davis off and on for a period of ten years at Menan and Pocatello, Idaho, and she had gone with him a little even before she and Hanson, her former husband, were divorced; that since her marriage to E. S. Davis she has been with him practically every day except for one or two short trips that he has made to Glasgow, Montana, on business, to look after some farming interests he has at Glasgow; that E. S. Davis is a farmer by occupation and has followed farming for a good number of years; that E. S. Davis is presently at Glasgow, Montana, to remain for a few days, the exact time she did not know, on business. Mrs. Davis could not give Agent the exact address of her husband at Glasgow, except that he had been operating a farm in close proximity to Glasgow.

Although the description of E. S. Davis, as given by Mrs. Davis, does not correspond with that of VOLNEY DAVIS, in view of the fact that the name Davis is the same and that one of the aliases used by VOLNEY DAVIS is Hanson, and Glasgow has been a possible operating location of VOLNEY DAVIS, a lead is being set out to check E. S. Davis and his activities at Glasgow.

The following investigation was conducted by Special Agent Russell Bryon:

At Payette, Idaho

Agent Bryon called at the post office at Payette and was informed that Mrs. Olivia E. Grover resided about three miles south of Payette on the opposite side of Snake River in Oregon, but she received mail at Payette, Idaho. When interviewed, Mrs. Grover advised that she had received some correspondence from "The Get Acquainted Correspondence Club", P. O. Box 1251, Denver, Colorado; that this correspondence consisted of numerous questions asked relative to herself and that she sent \$2.00, which made her a member of this Club from November 1, 1934, to December 15, 1935; that this letter, which was typewritten and contained numerous questions, which she answered, was

signed "Robert E. Simpson" and was returned to the above post office box, Denver, Colorado. Agent exhibited to Mrs. Grover the photostatic copy of the letter, dated January 14, 1934, signed "C. L. Harper", which she stated looked very much like the writing in the signature of Robert E. Simpson. Mrs. Grover advised that she never received but the one letter and has not heard from this Club since.

At Jerome, Idaho

Agent Bryon interviewed Miss Susan E. Bamberry, who resides at the rooming house of Mrs. Washburn, and formerly was employed at a restaurant in Jerome known as "Tom's Restaurant", conducted by a Chinaman. Miss Bamberry advised that some time during the last week in December, 1934, she received a letter from Robert E. Simpson, P. O. Box 1851, Denver, Colorado, and she answered the letter, which contained a number of questions, and returned it to the sender; that she also had another letter but she destroyed it and has never heard anything further from "The Get Acquainted Correspondence Club." She stated that she sent \$2.00 to Mr. Simpson at Denver for a list of persons with whom to correspond. Miss Bamberry is a very flighty young woman of the usual "hasher" type and has had considerable notoriety with the Sheriff and police officers at Jerome and is known to be a woman who cannot tell the truth.

UNDEVELOPED LEAD:

BUTTE OFFICE, at Glasgow, Montana, will check the activities of E. S. Davis, reported to be a farmer there, and also determine whether the description furnished by Mrs. E. S. Davis, Menah, Idaho, is correct.

This will confirm my telegram of March 12, 1935, in which I advised the Bureau that Special Agent B. F. Fitzsimons at Miami, Florida, during the night of March twelfth learned from the Assistant United States Attorney at Miami, that Cassius McDonald had been released on March twelfth after posting a \$15,000 bond and that he left Miami at nine-thirty PM on the date of my wire for Detroit; that the Assistant United States Attorney claimed he did not know of McDonald's release until he appeared in his office.

Today, a Deputy Clerk in the office of the United States District Court Clerk, here, advised that records have been received from the Clerk at Miami, Florida, showing that E. G. McDonald had been released on March 12, 1935, after posting a cash bond in the amount of \$15,000; that this bond had been reduced from \$25,000. The cash posted has been placed in the registry of the Court at Jacksonville, Florida.

Special Agent Fitzsimons by wire advised that the \$15,000 bond posted by McDonald had been made through his attorney, J. Walter Reho of Miami, on March twelfth, after Federal Judge Halsted L. Ritter signed an order reducing the bond from \$25,000. The same is returnable at Miami, Florida, on April 22, 1935. *RECORDED & INDEXED*

It will be recalled that recent investigations conducted in this district have shown that Volney Davis, while residing in Kansas City, obtained post office boxes in three small towns near Kansas City. It appears from the file that he has followed similar practices in other localities in the past.

It occurs to me that it would be desirable to place a copy of the identification order on Davis in the hands of each postmaster in this district, forwarding the identification order with a letter calling attention to Davis' past operations. Such a procedure would require approximately 1500 copies of the identification order and, if a similar practice was followed in the entire country, it would, of course, require a very large number of these orders. I am writing to request that the Bureau forward the requisite number of identification orders to this office, unless it considers that this procedure would not be worth while. It is suggested that the Bureau also consider the desirability of a similar circulation in all districts. In the event it is decided that this procedure is inadvisable, I would like to make the further suggestion that it be followed at least to the extent of distributing the identification orders to those small post offices immediately contiguous to any large cities in which Davis might locate.

Reference is made to Bureau letter of March 8, 1935, as to my personally making investigation at Middle Island, about eighteen miles off the coast in Lake Erie, in Canadian waters, for the possibility that some members of the gang might be hiding out in this place.

Special Agent in Charge Larson telephoned me upon receipt of a copy of this letter, and indicated that he would communicate with the Bureau fully as to the prior investigation and efforts made to determine whether or not any of the subjects are located on the island, and that he would also make efforts to ascertain whether this island can be reached at the present time, there being no regular means of transportation to the island, and when the ice is in the condition in which it has been recently, it is impossible to reach same by boat. Special Agent in Charge Larson will advise me as to what he learns as to this.

In this connection, it will be impossible for me to get away for the next several days, until the trial of John Paul Chase is well underway, due to the possibility that I may be needed to take care of various matters here in connection with the preparation of this case for trial.
